- **Instructions for Wire Transfers**
  - Instructions are provided through Treasury Services. Please note that students must access eServices to obtain the bank account number. New students must setup their eID/eServices account first in order to follow these instructions:

  - In addition, please be aware that Wells Fargo does not charge students to receive a wire transfer payments at VCU, but some of your banking institutions may charge a fee. If your bank charges a fee and you do not pay it at the time you make the wire transfer, the fee will be deducted from your account before it is posted at VCU. This is the reason some of you may see an account balance at VCU that is less than the $6500 that you transferred. You will be responsible for paying any remaining balances once you arrive at VCU.

- **Check Balance & Confirm Payments**
  - Follow eID/eServices instructions to access eServices page
  - Click on “Student” tab at the top
  - Click on “Student Account”
  - Click on “Make a Payment”, then “Make a Payment” again
  - Click on “Payments” tab at the top
  - Click on “Payment History”
