Request for Extension of the Deadline for Admission to a Business

Students who have not completed the requirements to declare their major and move into the Advanced Program by the deadlines described in the VCU Bulletin will be asked to seek a major outside of the School of Business.

Students may request an extension of their deadline through their advisor, who will make an appeal on their behalf to the Director of Advising or Associate Dean for Undergraduate Studies in the School of Business. The Director of Advising or Associate Dean may, at his or her discretion, extend the period needed to meet the requirements, generally by only one semester. Students may also be required to meet with the Director of Advising or Associate Dean to make an extension request in person.

If an extension is not granted and the student wishes to appeal the decision, students must contact usib@vcu.edu and state that they wish to appeal their outcome. The appeal will be heard by the School of Undergraduate Programs Committee (SUPC), which may establish a subcommittee for this purpose.

Your request for an extension must include:

- Application page of “Request of Deadline Extension for Admission to a Business Major"
- All pages completed of the MINDSET INVENTORY Worksheet (download from go.vcu.edu/mindsetinventory)
- A signed and dated business letter addressed to your advisor that describes in detail:
  - Why you missed your deadline. This could include any special circumstances that should be considered such as a death in the family, medical issues, personal situations/events, academic troubles, etc. Please include documentation that may be key to your appeal such as a letter from a treating physician in the case of illness or treatment, death certificate, etc.
  - Describe what changes you have made, resources you will utilize, or anything else that will ensure academic success and completion of your requirements. Completion of the MINDSET INVENTORY will help you identify these as well.
  - What do you need to complete these requirements and when do you plan on doing them? This should include a list of courses either here or a community college and what grades you need to earn in them. This should also include courses you plan to repeat if needed.
  - What semester & year are you requesting an extension for?

Submit all materials to your advisor by one of the following methods:
- Drop off at the advising office (see below) or during an advising appointment
