

# RVA Views Fall 2024 Quick Polls Report

Our 2024 Quick Polls aimed to ask singular questions about health, technology, mental health, and economic prosperity.

## HOW LIKELY ARE YOU TO GET THE COVID-19 BOOSTER THIS FALL?

Responses: 283

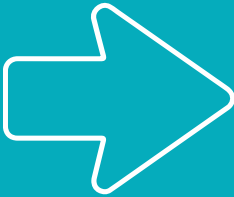

For every two people who are planning on getting their Covid-19 booster, one person is unlikely to get the booster.

## HOW LIKELY IS IT THAT YOU WILL TAKE OUT A LOAN IN THE NEXT 12 MONTHS?

Responses: 113

Four out of five VCU community members say they are very unlikely to take out a loan in the next 12 months.

# RVA Views Fall 2024 Quick Polls Report

## CURRENTLY, HOW WOULD YOU DESCRIBE THE STATE OF YOUR MENTAL HEALTH?

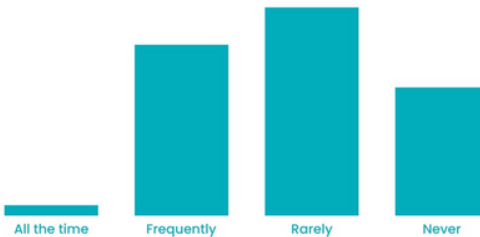

Responses: 93

While the majority of respondents said they were at least somewhat mentally healthy, 33% indicated that their mental health was unhealthy.

## TO WHAT EXTENT ARE YOU USING ARTIFICIAL INTELLIGENCE (AI) IN ANY CAPACITY?

Responses: 98

More than half of respondents are never or rarely using AI in any capacity.

We got 586 total responses! Thank you RVA Views community, for SHARING YOUR VIEW!
